

DESIGNER / DEVELOPER

Kojo Patrick

SKILLSET

Visual Design
UX / Prototyping
Front-End Development(Mobile and Web)

About Me

So my full name is Patrick Asare-Obeng and my local name is Kojo, which is a name given to a person born on Monday. For the past few years my journey in tech has been exciting and engaging. From becoming a jack of all trades to starting a startup and applying to Y Combinator and now a freelancer. Practicing Frontend development and a little bit of UI/UX.

PRIMARY KNOWLEDGE

HTML/CSS/JS
React js/Gatsby js / Next Js

FOUNDER/CREATIVE DIRECTOR – EADITH

Aug. 2020 - Mar. 2021

Eadith is an on demand logistics company that will help empower local business in Ghana and Africa. My role as the founder was to make the idea become a reality.

LEAD PRODUCT DESIGNER – GITPLUS GHANA.

Jan. 2020 - Aug 2020

After some months of working with Gitplus Ghana, I became the lead Product Designer. My main role was to design pixel perfect mobile apps for both play store and google store and also supervise the mobile dev team. We shipped products like 24/7 doctor online, Smartschool, etc

LEAD UI DESIGNER AND FULLSTACK DEVELOPER – GITPLUS GHANA.

Jul. 2019 - Dec. 2019

GITPLUS Ghana is a tech startup that offers variety of services from building their own products to building custom products for specific clients. In my first few months working with them, my role was to design products, build and ship. From Adobe xd/Figma to web apps to mobile apps.

IT SUPPORT OFFICER(INTERN) – GOLDEN STAR RESOURCES GHANA.

Jan. 2018 - Feb. 2018

Golden Star Resources is an established gold mining company operating in the western part of Ghana. My role as an intern was to monitor issues and provide assistance in relating to the IT infrastructure.

PROJECT WORKED ON

Spoke.app(Frontend Dev)
PayVine(UI/UX Design)
Taskme online(UI/UX Design)
Africa music chart (UI Design)
SmartSchool (UI Design)
SmartChurch(UI Design)
247 Doctor online(UI/UX Design)
247 Security (UI Design)

GRAPHICS DESIGNER(INTERN) – BUH ENERGIE.

Jan. 2016 - Feb. 2016

Buh Energie is a oil and metal works engineering/construction company. During my internship at Buh Energie my role was to design social media flyers to help market their products online.

Education

BSC INFORMATION TECHNOLOGY MANAGEMENT – UNIVERSITY OF PROFESSIONAL STUDIES, ACCRA GHANA

Graduated 2019
